

I am writing to let you know that I believe that allowing LPFM stations to take priority over current FM stations is a bad idea. I am homeschooling mom of three girls (2,6,& 9 yrs. old) and babysit a 9 month old boy - so I am at home alot. I listen to K-Love (90.9 FM) here in Cheyenne and it is an uplifting and encouraging part of my day. My husband is able to listen to it as he works, even though he drives alot for his job. There would be a gaping hole left if K-Love were to be displaced. The local community needs to know that the God that created them loves them, cares about them and desires a relationship with them. Hurting people are shown the way to God, through Jesus Christ, who is the only one who can heal them. I believe the service provided by K-Love is in the public interest because people need to know that they can have a relationship with Jesus Christ through His sacrifice on the cross and that He did that so that they don't have to spend an eternity in hell.
